

2018 Four Corners Research Field School Application

Field School Excavations – August 24-27 at Mitchell Springs (Cortez CO) more info about past sessions can be found on website: <http://www.fourcornersresearch.com/>

Where: Mitchell Springs Ruin Group near Cortez, Colorado

When: August 24-27, 2018

About the 2018 Field School: This will be the only Field School in 2018

Cost: \$95.00 - Where else can you find such a magnificent 4-day experience for under \$100?

We will be working in and near the Pueblo A great house again this year. There have been many fascinating discoveries in this part of the site and this year promises to be another exciting season. Training will focus on archaeological field techniques, pottery analysis, artifact processing and analysis, and field documentation.

There are many choices of motels, restaurants, and grocery stores within 2 miles of the dig site. We have camping space (no electricity), toilets and potable water on-site. One day will be spent in the lab processing and learning about artifacts that are collected during the dig.

Participants supply their own food, equipment (trowel, gloves, hat, etc), and transportation.

Name: _____ Date _____
